Dear Mr. Nash:

As you know, the Standards Council, voted to present you with the enclosed "Committee Service Award."

The Council established an award program to recognize the distinguished service of the volunteers who contribute to the National Fire Protection Association's standards-making system and to the cause of fire safety worldwide.

It is the participation of persons like yourself that have made the NFPA standards-making system a success, and the Association owes you a debt of gratitude for that participation. Many thanks for your many contributions to the NFPA standards-making system.

Sincerely,

A handwritten signature in black ink that reads "Casey C. Grant". The signature is written in a cursive style with a long horizontal line extending from the end of the name.

Casey C. Grant
Secretary, Standards Council
